DESIGNATED TRAINING TOPICS
10-HOUR GENERAL INDUSTRY   **OUTREACH TRAINING PROGRAM**

The 10-hour program is intended to provide instruction on a variety of general industry safety and health standards to entry level participants.

Of the topics listed below, four hours are mandatory and three hours must be chosen from the options provided. This arrangement eliminates the need to explain substitutions made because a topic did not apply to an audience.

The required topics account for 7 hours of the 10-hour program. For the remainder of the10-hour class, you may teach any other general industry standards and policies and/or expand on the required topic coverage.
